**PETE'S DUELING PIANO BAR, TEXAS' ORIGINAL ROCK N' ROLL DUELING PIANO BAR,  
TO OPEN AT HOUSTON PAVILIONS**  
Pavilions To Be First Houston Location

Houston, TX – Pete's Dueling Piano Bar, Texas' Original Rock n' Roll Dueling Piano Bar, announces its first Houston location in Houston Pavilions, a \$170 million mixed-use development in downtown. The 7,000 sq. ft. location will open in conjunction with the Houston Pavilions grand opening in Fall 2008.

"Houston was the next logical market for us to tackle," said owners Corey Urbach and Greg Sacony. "It is the nation's fourth largest city and our new location will sit in the middle of downtown only two blocks from the convention center. What could be better than that?"

Geoff Jones, developer and co-general partner of Houston Pavilions, L.P. stated, "We couldn't be happier that Pete's has decided to join us at the Pavilions. Given its centralized location downtown, Pete's will be a hit with Houstonians and tourists alike."

The concept first opened on Austin's historic 6<sup>th</sup> Street in 1992 as Pete's Peanut Bar & Piano Emporium. It started as a one man show spearheaded by Steve Green. The shows popularity helped the bar grow for six strong years, at which point Texans decided they needed a duel, and the bar became Pete's Dueling Piano Bar!

Houston's Pete's Dueling Piano Bar will be a sing-along, clap-along, drink-along, have-one-helluva-good-time-along bar! Four unique, A-list piano players take the stage each night on two baby grand pianos, in two-person rotations every hour on the hour. All four players even join together on stage multiple times throughout the evening to bring you songs filled with more instruments and energy. In addition to the dueling performances, Pete's Dueling Piano Bar also features "Showtime" throughout the evening, when waitresses and bar staff take the stage to sing and dance.

Pete's Dueling Piano Bar offers thrilling piano bar-style entertainment in a fun and casual atmosphere. From Elvis to Eminem, Abba to ZZ Top, and Neil Diamond to AC/DC, players at Pete's Dueling Piano Bar perform favorites from every era. Other popular selections include Billy Joel, Dave Matthews, Bon Jovi, Sublime, Pat Green, Willie Nelson, Elton John, Frank Sinatra, The Beatles, Lenny Kravitz and more. Pete's Dueling Piano Bar is open Wednesday through Saturday, 7 p.m. – 2 a.m. and shows start at 8 p.m. With locations in Austin, Addison, and Fort Worth, and the fourth location to open in Houston in Fall 2008, Pete's Dueling Piano Bar offers entertainment throughout Texas!

Houston Pavilions will be the premiere entertainment, retail and urban office hub in downtown Houston. Bounded by Dallas St. to the north, Polk St. to the south, Main St. to the west and Caroline St. to the east, Houston Pavilions will span four city blocks, offering retail, entertainment, loft office space and parking to visitors. The development will open Fall 2008, adding a valuable component to downtown's convention corridor.
